

TDC96/TDC96p Concealed Closer

TDC96 Standard Swing Application

TDC96p Pocketed Application

TDC96 Concealed Closer

- Fire rated to 3 hours
- Improved ADA compliance – cam action is 60% more efficient than a standard rack & pinion closer
- Adjustable latching, closing and cush stop
- Adjustable to sizes 1 through 5
- Up to 135° opening angle
- Retrofit to existing frames without mortising the frame
- Closer arm is invisible when door is closed.
